

Science Curriculum Map

	KS1 Cycle 1	KS1 Cycle 2	LKS2 Cycle 1	LKS2 Cycle 2	Year 5	Year 6
Plants	Parts	Parts				Photosynthesis
	Types	Types				
Organisms	Classification	Insects		Classification		Kingdoms
	Ocean Life					Cells
Ecology	Taking care of Earth			Habitats		
	Habitats	Food Chains		Food Chains		
Human Body		Senses & Systems	Digestive System	Muscular System	Circulatory System	Hormones & Reproduction
		Healthy Bodies	Diet	Skeletal System	Respiratory System	Reproductive System
Reproduction & Evolution		Life cycles		Nervous System		Reproduction
				Vision & Hearing		Evolution
Matter	Materials				Atoms	Atoms & Compounds
	States of matter		States of matter		Elements	
Forces		Electricity	Magnetism	Light & Sound	Solutions	Changes
	Astronomy	Magnetism	Machines	Renewable Energy	Electricity	Astronomy
Cycles In Nature	Seasons	Seasons	Friction & Forces			
	Weather	Weather	Water Cycle		Water Cycle	Meteorology
Earth	Seasonal Cycles		Earth's Surface	Earth's layers		
			Inside the earth	Weathering & Erosion		
Significant Scientists	Florence Nightingale	Curie Family	Rocks & Mountains	Volcanoes	Tim Burners-Lee	Michael Faraday & Tesla
	Thomas Edison	Edward Jenner	Aristotle	Alexander Graham-Bell	Dorothy Hodgkin	Elizabeth Garrett Anderson
			Archimedes			Charles Darwin
